

# Administrative and Operational Issues

#### New Boardwalk Bathroom – Permitting and Construction Delay

Design plans for the new bathroom are nearing 90% complete. The conceptual renderings will be presented to the Board during the Engineer's Report. The plans were designed based on preliminary FIRM maps and the required elevations based on those maps. It was anticipated that preliminary maps would be adopted this fall, the project would enter the permitting process in early to mid-October, and the construction would begin mid-December to early January. Recent developments regarding the FIRM maps and delay in their adoption now significantly impact that timeline. SRIA staff is working with BDI to determine what options are available. Best case scenario, the project could be constructed as early as winter of 2023/2024. However, depending on FEMA's timing, worst case scenario is winter of 2024/2025.

#### FEMA Flood Mitigation Assistance Program

On August 15, 2022, the State's Division of Emergency Management, on behalf of FEMA, announced the opening of the FY 2022 Application Period for the Flood Mitigation Assistance (FMA) program, including the release of the Notice of Funding Opportunity (NOFO). The application period opens September 30 and runs through mid-November. Active coordination with the remaining, interested leaseholders has already begun. The subconsultant is working to gather the necessary information and documents from each to run the benefit cost analysis on individual properties. By the end of September, SRIA staff will have the data regarding the number of leaseholders/properties that pre-qualify (benefit/cost equal to or higher than 1.0) and whether the pursuit of a grant is feasible.

## Economic Impact of Pensacola Beach

<u>Tourist Development Tax Collections</u> (Attachment 1 – August 3, 2022, report as prepared by Pam Childers, Escambia County Clerk of Circuit Court and Comptroller)

The Tourist Development Tax (TDT) is a tax rate applied to transient rental transactions. In Escambia County the rate is 5% on the total payment received for the rental or lease of living quarters and accommodations (i.e. apartment, condominium, hotel/motel, mobile home or RV park, single-family home, etc.) that are rented for a period of six months or less.

#### Executive Director's Report August 24, 2022 Page 2

The tax proceeds are statutorily limited in terms of use. In general, proceeds may be used for capital construction of tourist-related facilities, tourist promotion, and beach and shoreline maintenance; however, the authorized uses vary according to the particular levy. The Tourist Development Council (TDC) reviews proposals for the expenditure of funds to determine whether the expenditure complies with the tourist development plan of the ordinance and makes recommendations to the Board of County Commissioners for use of the funds.

\*Note: The TDT rate increased from 4% to 5% on April 01, 2021. \*\*Clerical error discovered and corrected.

## Beach Projects Update

- Quietwater Beach pavilions Complete.
- <u>Gulf side pavilion repairs</u> Stucco repairs, truss plate replacements, and painting. SRIA will be closing the pavilion October 24 through November 23 to facilitate the repairs and renovations. No reservations or events will be accepted or scheduled during that time.
- <u>Park West restroom</u> The Park West restroom renovations include a new roof, repairs to the façade, and painting. Façade repairs and painting are complete, and the installation of the new roof will begin this week contingent upon the weather or at the latest on Monday, August 29.
- <u>Park East restroom</u> Funding (through a change order) was approved by the BOCC on May 19<sup>th</sup> for a new roof. Replacement of the roof is scheduled to begin on September 6.
- <u>Quietwater Beach Pier</u> Work continues on Quietwater Beach Pier. The County anticipates about four more weeks until Phase 1, the ferry portion, is complete, weather permitting. Currently, however, the ferry is able to use the structure in place. Phase II, the widening of the pier still must go out for bids. Timeline for completion is unavailable until the Phase II contract is in place.
