Narratives

RESTORE Assistance and Presentation

No action on this item during the current period.

Little Sabine Bay Channel Extension

Final application documents and fees have been submitted to the FDEP and USACE for an Environmental Resource Permit.

Park West Sound Side Pavilion Structural Plan Updates for Construction

Construction of the new pavilion at Park West (north) is complete.

Pensacola Beach Playgrounds and Interactive Splash Pad

Topographic surveys have been completed and construction documents are being produced. Improvements will take place at Harry Gowens Park, Cowley Park and Park West (North).

Pensacola Beach Multi-Use Path Restoration – Phase 1

Survey activities have been completed and design is underway for the multi-use path from Avenida 10 to Parking Lot D. A change in scope was authorized by SRIA staff to extend the path restoration from Avenida 10 westward to the core area. Design estimates for the path extension are in process.

(c) = Construction Budget
 (e) = Engineering Budget
 BF = Beautification Fund

SRIA = Santa Rosa Island Authority
 ECUA = Emerald Coast Utilities Authority
 TBD = To Be Determined
